TOUCHING HUMAN LIVES
— ACTIVITIES BY UCWT —

Utkarsh Charitable and Welfare Trust[®]

Utkarsh Charitable and Welfare Trust (UCWT) is a non-profit organization dedicated to delivering social, economic, and humanitarian support to individuals and communities in need. The trust actively engages in initiatives that enhance the quality of life for marginalized and underprivileged groups. Key areas of focus include Health Care, Education, Research & Innovation, Rural Development, Skill Development, Environmental Sustainability, Diversity Equity, Inclusion (DEI) and the promotion of Art and Culture. Through these efforts, the trust aims to foster positive, lasting change and empower communities towards self-sufficiency and growth.

Contributions to the Utkarsh Charitable and Welfare Trust qualify for exemption under Section 80G and 12A of the Income Tax Act. The trust's objectives centre on enhancing the well-being and quality of life for individuals and communities in need.

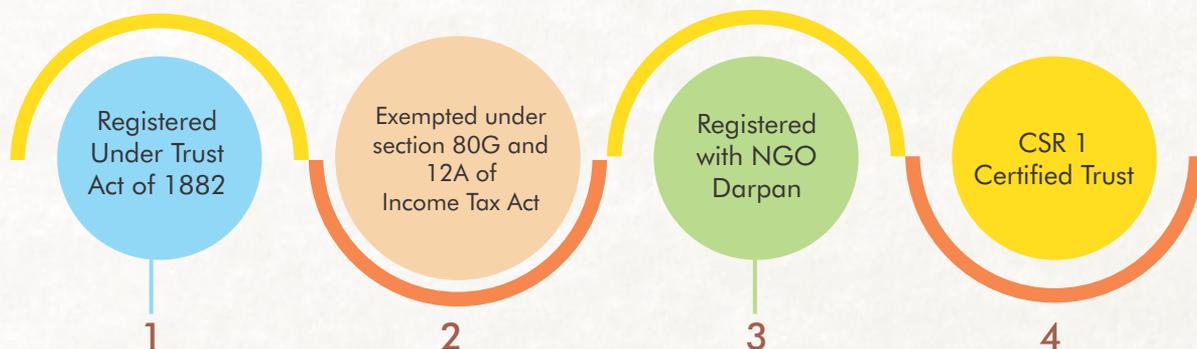

Vision

- To foster an equitable and inclusive society where everyone has access to opportunities that enhance quality of life

Broad Objectives

- To improve healthcare access and quality for marginalized communities
- To provide educational support and promote skill development for sustainable livelihoods
- To empower rural communities through targeted development programs
- To champion environmental sustainability for a healthier future
- To preserve and promote cultural heritage and support the arts

Trust Credentials

1 HEALTH CARE

Healthcare Support

- Educate communities on hygiene, nutrition, disease prevention, and lifestyle choices for better health.
- Organize health camps in rural and underserved areas to provide medical check-ups, screenings, and basic treatments.
- Conduct awareness campaigns on prevalent health issues such as diabetes, heart disease, and infectious diseases.

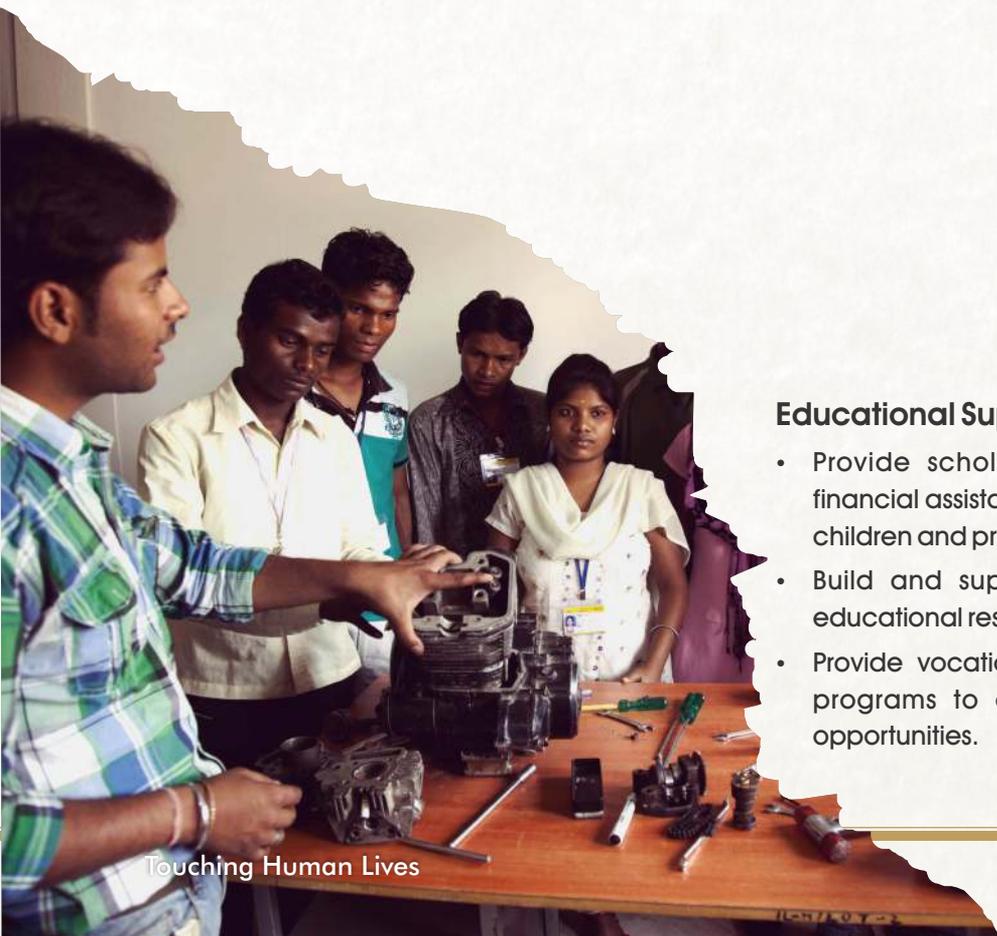

2 EDUCATION

2

Educational Support

- Provide scholarships for students and provide financial assistance for education to underprivileged children and promote literacy.
- Build and support schools, libraries, and other educational resources through corporates.
- Provide vocational training and skill development programs to empower youth with employment opportunities.

3

RURAL DEVELOPMENT

Rural Development

- Develop infrastructure, such as clean drinking water facilities, sanitation, and housing, for rural and marginalized communities.
- Promote sustainable agricultural practices, environment-friendly initiatives, and waste management.
- Encourage community involvement in welfare activities to create a culture of support and shared growth.

SKILL DEVELOPMENT

4

Skill Development

- To help bridge the gap between theoretical education and the practical skills required in the workforce.
- Increase the efficiency and productivity of the workforce, which in turn contributes to economic development.
- Focus on training youth, women, differently-abled individuals, and other marginalized groups, empowering them with job-specific skills and economic independence.

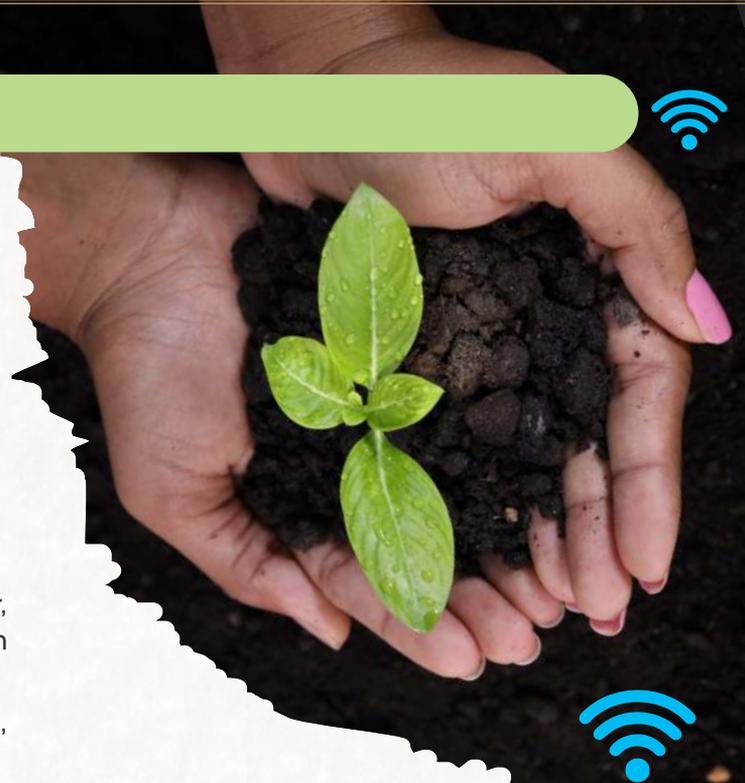

5 SUSTAINABLE ENVIRONMENT

Sustainable Environment Awareness

- Protect and manage finite resources like water, minerals, forests, and wildlife to ensure long-term availability.
- Support farming techniques that preserve soil health, reduce pesticide use, and maintain productivity.
- Promote the sustainable use of resources to prevent depletion and environmental degradation.

ART, CULTURE & HERITAGE

6

Supporting Art and Culture

- Safeguard traditional arts, crafts, languages, and practices that form an integral part of a community's identity.
- Encourage individuals and communities to explore and express creativity through various art forms.
- Cultivate appreciation for art and culture among youth by incorporating arts education in schools and community centres.

7

WOMEN EMPOWERMENT

Women Empowerment

- Ensuring girls and women have access to quality education is one of the most effective ways to empower them.
- Programs focussing on vocational and digital skills can help women gain employment or start businesses, leading to financial independence.
- Connecting women with mentors provides guidance and support for career growth and personal development.

COUNSELLING SERVICES

8

Counselling Services

- One-on-one sessions where the counselor helps clients work through personal challenges like stress, anxiety, self-esteem issues, and personal growth.
- Provides a space where individuals with similar issues can share their experiences in a group setting, often led by a counselor.
- Assists individuals in identifying strengths, interests, and goals for career planning, and helps with challenges like job stress, transitions, and work-life balance.
